Say No to Parking Charges in Moreton

The Council want to introduce on street and off street car parking charges in Moreton at locations on Hoylake Road • Oakenholt Road • Pasture Road • Chadwick Street • Barnston Lane • Upton Road • Holt Avenue car park • Garden Lane car park • Pasture car park

We, the undersigned, are strongly opposed to the proposal for car parking charges in Moreton. We believe that introducing charges in our town will have a massive detrimental impact on the viability of our shopping area. We ask the Labour Cabinet to kick out this proposal and support our economy here in Moreton.
